No. CE/BB/EPC-PQ/ICB/50/2018/11

Dated Guwahati the 5th September, 2018

INVITATION FOR PREQUALIFICATION

1. The Government of Assam through the Government of India has applied for a Loan from the **New Development Bank** towards the cost of the 'construction of extradosed/cable stayed PSC Bridge over river Brahmaputra connecting Guwahati and North Guwahati including via duct, approaches etc.' on EPC mode (hereinafter called "the Project"). It is intended that part of the proceeds of this Loan will be applied to eligible payments under the contract resulting from the bidding for which this prequalification is conducted.
2. The Chief Engineer (ARIASP & RIDF), Public Works Roads Department (hereinafter called "PWRD") intends to prequalify contractors and/or firms for construction of extradosed/cable stayed PSC Bridge over river Brahmaputra for a length of 1240 M (Extradosed) and elevated road connecting main Bridge on Guwahati side for a length of 1200 M. The project also consists of about 900 M long section of viaduct on land and 4330 M road and one VUP, one ROB at the North Guwahati side. The main Bridge is 6 lane carriage-way having overall width of about 33 M. The elevated road will start from A T Road (near Bhutnath) and will meet at Machkhowa on M G Road and on Guwahati side. The main Bridge over river will start forming a Y-junction between the elevated road and the Bridge. The approach road will meet at Gauripur on NH 31(East-West Corridor) on North Guwahati side. The elevated road is of 3 lane carriageway; and via-duct, approach road are of 6 lane carriageway with service road.
3. It is expected that Invitation for Bids will be made available in last week of **October 2018**
4. Prequalification will be conducted through procedures in accordance with the Procurement Policy of the NDB, and is open to all Applicants from **eligible NDB member countries**, as defined in the Loan Agreement.
5. Interested eligible Applicants may obtain further information from and inspect the Prequalification Documents in the office of PWRD at the following address in all working days from Monday to Friday between 11 AM to 5 PM.

Chief Engineer (ARIASP & RIDF), PWRD
ARR & TI Complex
