

Invitation for Bids: Platform Screen Door for Luoyang Urban Rail Transit Line #1 Project

Date: April 16, 2019

Bidding No.: 0723-196019660108

Entrusted by Luoyang Rail Transit Group Co., Ltd. (Hereinafter referred to as the “Tenderee”), Guoxin Tendering Group Co., Ltd. (Hereinafter referred to as the “Tendering Agent”) conduct international public bidding for BRICS member countries on Goods and Services required for platform screen door of Luoyang Urban Rail Transit Line # 1 project. The mode of post-qualification examination is adopted for qualification examination of the bid. Now, intended and qualified bidders are invited to participate in the bidding.

The construction funds for this project is from the New Development Bank loan and the Chinese government allocations. The Tenderee has acquired purchase funds and will ensure the smooth implementation of various contracts under this project.

1. Project Overview

Luoyang Urban Rail Transit Line # 1 project is an underground line, which has one transfer station for each of the Line # 2, Line # 3 and Line # 4 in the planning network. Hongshan vehicle base is located at the west end of the line, which is connected with Hongshan Station, and Chandong parking lot is located in the east, which is connected with Yangwan Station.. Type B cars with 6 car formation will be used for the initial term, short-term and long-term. The total longitudinal combination length of the platform screen doors is about 114.46m. Each vehicle has 4 passenger doors.
