

Invitation for Bids: Luoyang Metro Project Engineering Vehicles and Process Equipment of Yard and Depot (first batch)

Date: May 7, 2019

Bidding No.:0723-196019660109

Entrusted by Luoyang Rail Transit Group Co., Ltd. (Hereinafter referred to as the “Tenderer”), Guoxin Tendering Group Co., Ltd. (Hereinafter referred to as the “Tendering Agent”) conduct international public bidding for BRICS member countries on Goods and Services required for vehicle depot processing equipment of Luoyang Metro Project, Engineering Vehicles and Process Equipment of Yard and Depot (first batch). The mode of post-qualification examination is adopted for qualification examination of the bid. Now, intended and qualified bidders are invited to participate in the bidding.

The construction funds for this project is from the New Development Bank loan and the Chinese government allocations. The Tenderer has acquired purchase funds and will ensure the smooth implementation of various contracts under this project.

1. Project Overview

Hongshan vehicle base is located at the west end of the line, which is connected with Hongshan Station, and Chandong parking lot is located in the east, which is connected with Yangwan Station.. Hongshan Vehicle Base consists of Hongshan Vehicle Overhaul Center, Comprehensive Maintenance Center, General Warehouse and other ancillary facility for production and living. Hongshan Vehicle Overhaul Center is functioned as a large repairing center for rails network, being responsible for repairing the vehicles of Luoyang Urban Rail Transit Line # 1,2, 3 and 4. The Chandong parking lot mainly undertakes the daily maintenance and inspection works for the vehicles of Line # 1.

2. Name, Quantity, Main specifications, Delivery time and Place of delivery of Bidding goods

2.1 Goods name: engineering vehicle and processing equipment of vehicle depot. For more details, please refer to Chapter 8 of the volume 2, “Schedule of Requirements and Technical Specifications”.

2.2 Quantity: one batch;

2.3 Main specifications: See Chapter 8 of volume 2, “Schedule of Requirements and Technical Specifications”.

2.4 Delivery time: conform to the operation requirements. For more details, please refer to Chapter 8 of volume 2, “Schedule of Requirements and Technical Specifications”.

2.5 Delivery place: the designated place of Hongshan vehicle base and the Chandong parking lot of Luoyang Metro Project Line # 1. In accordance with site conditions, the tenderer has the right to do a moderate adjustment.

3. Qualification Requirements for Bidders

3.1 The bidder is a legal person or other organization that responded to the bidding, purchased the bidding documents from the bidding agency and participated in the bidding competition. Any legal person or other organization that has not purchased the bidding documents from the bidding agency is not allowed to participate in the bidding;
