

Invitation for Bids

Hubei Huangshi Modern Tram Project (Phase 1) Financed by NDB

Whole Line Power Supply Construction

(Contract No. SI-04)

1. Conditions for Tender

The Government of China has applied for use of NDB loan for Hubei Huangshi Modern Tram Project (loan ref number 19N05).

The tender is open to eligible bidders in NDB member countries.

The tender for the equipment supply and installation under the Whole Line Power Supply Construction (SI-04) pertaining to Hubei Huangshi Modern Tram Project financed by NDB has been approved by Hubei Huangshi Municipal Government; the tenderee is Huangshi Railway Construction and Investment Co., Ltd. Now the conditions for tender are ready, an open bid for the construction is hereby invited.

2. Name of Project and Scope of Tender

2.1 Name of Project: Whole Line Power Supply Construction (SI-04) of Hubei Huangshi Modern Tram Project (Phase 1) financed by NDB

2.2 Location of Project: Huangshi City, Hubei Province

2.3 Scale of Project: start point being Huangshi Avenue up to Mining Museum, with total length of 27km, 30 stations, one depot at Baihua Road, where dispatching center is located. The tender value is RMB Yuan 282,616,591.92.

2.4 Source of Financing: NDB loan

2.5 Duration of Construction: tentatively estimated to be 450 days.

2.6 Scope of Tender: supply and installation of the whole line's traction-combine substation, charging unit, stray current, electric power monitoring, power supply workshop, conductor rail and power cable, as well as other necessary and relevant supply and installation (specific works subject to BoQ and drawings).

3. Bidders' Qualification Requirement

3.1 This tender requires bidders to be of level 1 qualification for general contracting of electromechanical construction or level 1 qualification for professional contracting of railway electrification engineering. Bidders shall have at least one similar project experience valued at RMB200 million yuan (or above) in the last 8 years (from Jan 2013 up to the deadline date of bidding), which means the experience of general contracting or power supply system professional contracting of a modern tram, subway

or light rail project. Bidders shall have full capacity of manpower, equipment and financing as required by the implementation of the construction work, of which the project manager to be appointed by bidders must be of class 1 electromechanical or railway engineering constructor qualification, and needs to have a valid Work Safety Certificate of Conformance (B Book); the project manager shall not hold a project manager position in other projects concurrently.

3.2 This tender is open to bidders registered in NDB member countries; eligible bidders of NDB countries feel free to bid.

3.3 This tender does not accept bids in consortium.

4. Tender Registration

This tender does not require a prior registration.

5. Access to Tender Document

Bidders who wish to bid can download the tender document on the website of China International Engineering Consulting Co., Ltd (www.ciecc.com.cn) from 26 February 2021 to 9:30 hours 25 March 2021. The project does not require a prior registration; bidders can directly submit bids before the deadline. A documentation fee of RMB500 yuan shall be paid on the occasion of bid opening.

6. Submission of Bid

6.1 Deadline of submission of bids: 9:30 hours 25 March 2021; venue: Huangshi Public Resources Transaction Center (4/F, Huangshi Citizen Home, Expo Blvd, Daye, Huangshi, Hubei Province).

6.2 Bids submitted after deadline or not submitted to the designated venue shall be rejected.

7. Bid Opening
