Russian Federation

Judicial System Support Project

Loan 17RU01

Implementation of the infrastructure for the functioning of the FBS automated systems (third stage)

IFB Number: JSSP/ICB/2.3.1.3.

1. The Russian Federation has received a loan from the New Development Bank (NDB) toward the cost of Judicial System Support Project, and it intends to apply part of the proceeds of this loan to payments under the agreement resulting from this IFB: JSSP/ICB/2.3.1.3 “Implementation of the infrastructure for the functioning of the FBS automated systems (third stage)”.
2. Foundation for Enterprise Restructuring and Financial Institutions Development (FER), which is authorized by Federal Bailiff Service (FBS) to conduct the bidding and subsequently sign the contract as a Payer with the selected Supplier, now invites sealed bids from eligible Bidders for implementation of the infrastructure for the functioning of the FBS automated systems (third stage), including
 - Survey of Project site;
 - Delivery of necessary equipment;
 - Development of project design (working) documentation;
 - Assembling and commissioning of the system;
 - Provision of warranty services.
 - Bidding will be conducted using the International Competitive Bidding (ICB) procedures specified in the World Bank’s Guidelines: Procurement under IBRD Loans and IDA Credits, edition of January 2011, revised July 2014, and principles of NDB Procurement Policy (2018, as amended from time to time) and is open to all eligible bidders in the NDB member countries, that meet the following minimum qualification criteria:

a) Financial Capabilities

The Bidder’s (single Bidder or Joint Venture) average annual turnover shall be at least USD 8 (eight) million (or an equivalent amount in a different currency) for the last 3 years (2018-2020).

Where the Bidder is a Joint Venture (Consortium), the average annual turnover of the partner in charge shall be at least USD 5 (five) million (or an equivalent amount in a different currency) for the last 3 years (2018-2020). The average annual turnover of each Partner in a Joint Venture shall be at least equivalent of USD 4 (four) million for the last 3 years (2018- 2020).

b) Specific Experience with Similar Projects

The Bidder shall furnish documentary evidence to demonstrate that during the last three years (2018-2020) the Bidder must have successfully completed one or more contracts (or contract stages) for the development or upgrade of information systems in the amount equivalent to USD 4 (four) million or more.

The development (upgrade) of information systems refers to the supply of equipment for the following components: computing infrastructure (servers, storage systems, backup systems, SAN switches) and network infrastructure (core switches, access switches, distribution switches) and the following types of work related to such equipment: survey, mounting (installation), precommissioning (setup), development of detailed design (operational documentation).

The required experience could be demonstrated as part of the general contract for implementation of information systems, however in this case the Bidder shall furnish documentary evidence to demonstrate the supply of equipment for the above components of the information system and execution of above work for the amount indicated above for a separate contract. Contracts involving only the supply of equipment or only the performance of work will not be considered.

Where the Bidder is a Joint Venture, the Partner in Charge must comply with this requirement.

c) Technical (Organizational) Capacities

The Bidder (or, if the Bidder is a Joint Venture, all partners of Joint Venture) shall be certified with ISO 9001.
