Transaction No.: A99-12620000224333349J-20210421-032575-9

Date: July 29, 2021

Invitation for Bids No.: C2

1. The People's Republic of China has received a loan from New Development Bank (NDB) toward the cost of Lanzhou New Area Regional Hub Multimodal Logistics and Transport Infrastructure Demonstration Project and it intends to apply part of the proceeds of this loan to the payments under the Contract for the Zhongchuanbei Station Multimodal Transport Utility Upgrading Project, and Gaojiashuang Station Multimodal Transport Reconstruction and Expansion Equipment and Goods Procurement (Shunting diesel locomotives).

2. COC International Construction Consulting Group Co. Ltd. (Hereinafter referred to as "Agency"), commissioned by the Lanzhou New Area Foreign Fund Project Management Office (Hereinafter referred to as "Employer"), now invites sealed bids from all eligible and qualified bidders for the procurement of following goods and relevant services:

Two shunting diesel locomotives, which will be used for shunting and district transfer. (The shunting diesel locomotives should comply with GB146.1-83 "Standard Gauge Railway Locomotive and Rolling Stock Limits" (rolling stock gauge-1A, and rolling stock gauge-1B). The track gauge should be 1435mm and the power should be no less than 1880kW. The axle type of the locomotives should be Co-Co. Please refer to Chapter 6 of the bidding documents for details in regard to technical parameters for the locomotives).

The estimated delivery time of above equipment and related service is 8 months after signing the contract.

3. The bidding will be conducted through the Member Countries Competitive Bidding procedures. The bidding is open to all the qualified bidders from Eligible Sources Countries as defined in the Procurement Guidelines of New Development Bank (NDB).

4. The potential Bidders should pay attention to the provisions for eligibility and conflict of interest under ITB 4 of the Bidding Documents. Any Bidders found for conflict of interest shall be disqualified.

5. The bidder's qualifications include:

1) Bidders must be manufacturers. The equipment parameters provided by the foreign bidders shall be consistent with the domestic technical parameters and standards. The bidders who are not manufacturers are not allowed to participate in the bidding process.

2) The bidder shall have the ability to perform maintenance and after-sales services such as maintenance, repair and spare parts supply required by the contract and technical specifications. After winning the bid, the bidder should commit to establish maintenance centers or after-sales service centers at the project area or designate an agency to provide maintenance and after-sales service at the project area.

3) The bidder must be an independent and effective legal person (providing scanned business license in China) formally registered in a member country of the New Development Bank (China, India, Brazil, Russia or South Africa). Failing to provide the required documentary evidence will result in rejecting the bids directly without any opportunities for clarification.

4) The Chinese bidders should have the administrative license or relevant certificates for the production of railway locomotive and rolling stock promulgated by the State Railway Bureau, and the licenses or relevant certificates for the maintenance of railway locomotive and rolling stock promulgated by the State Railway Bureau. Foreign bidders should have equivalent qualifications (scanned copy of the approved qualification licenses in the bids). Failing to provide the required documentary evidence will result in rejecting the bids directly without any opportunities for clarification.

5) The minimum guarantee period for the products provided by the bidders shall be no less than 24 months, and a commitment letter shall be provided. Failing to provide the commitment letter will result in rejecting the bids directly without any opportunities for clarification.

6) Over the past five years (July 2016 - July 2021), the bidder shall have completed at least one project for selling“shunting diesel locomotives” with scope of procurement in China similar to that required in this bid (the same performance requirement for foreign bidders) and the scanned copies should be provided in their bids.. Failing to provide the required documentary evidence will result in rejecting the bids directly without any opportunities for clarification.

7) The annual cumulative business turnover for the bidder in the past 3 years (2018-2020) should be no less than CNY 0.5 billion. The bidder should provide copies of financial audit report for 2018-2020, of which each page should have an official stamps and sealed into their bids. Failing to provide the financial statements will result in rejecting the bids

directly without any opportunities for clarification. Foreign bidders should have the equivalent qualifications.

8) This tender does not accept joint venture bidding

Detailed qualification requirements will be provided in the bidding documents.

6. All bids must include bid security of **CNY 364,000 (three hundred and sixty four thousand Chinese yuan only)**, or the equivalent amount of currencies.

7. In the past five years (from July 2016 to the date of bid advertisement published), bidders should not be declared as unqualified bidders by Chinese governments at different levels or by member countries of the New Development Bank. If declared, bidders are not allowed to participate in the bidding. The bidders are required to provide certification materials or commitment letters for not sanctioned in the past five years. Failing to provide the certifications or commitment letters will result in rejecting the bids directly without any opportunities for clarification.

8 Individuals or enterprises listed by the relevant department as discredited persons or with other discredited acts (including enterprise whose legal representatives, principal persons in charge, actual controllers, directors, supervisors, and senior managers are listed as discredited persons) shall be restricted to participate in government investment projects or the projects that mainly use public finance. Provide the certification materials or commitment letters. Failing to provide certification materials or commitment letters will result in rejecting the bids directly without any opportunities for clarification. If a discredited bidder participates in this bidding, the bid evaluation committee shall disqualify the bidder or cancel their bids directly. (anything not specified here shall be interpreted by the Client). The bidders are required to provide the image of Credit China Query Platform. Failing to provide the image of Credit China Query Platform will result in rejecting the bids directly without any opportunities for clarification.

9 Any questions or complaints regarding to the bidding process or contract award should be sent in writing to the Client at e-mail account lzqxwzb@163.com. The contact person is Mr. Ma.
