

Bidding Announcement

Charging Piles Procurement and Installation Project for Airport Works of Lanzhou Zhongchuan International Airport Phase III Expansion Project

1. Bidding conditions

This bidding project, Airport Works of Lanzhou Zhongchuan International Airport Phase III Expansion Project, has been approved for construction by CAAC Northwest Regional Administration and the Gansu Provincial Development and Reform Commission according to the Reply of CAAC Northwest Regional Administration and the Gansu Provincial Development and Reform Commission on Preliminary Design and Budget Estimate of the Airport Works of Lanzhou Zhongchuan International Airport Phase III Expansion Project. (MHXBJH [2020] No. 141). Gansu Civil Aviation Group Co., Ltd. (GCAG) serves as the Project Owner. The construction funds of this bidding project come from the budget of the central government, the Civil Aviation Development Fund, the funds allocated by the local government, the self-raised funds and the loans from New Development Bank (NDB). Gansu Civil Aviation Group Co., Ltd. serves as the Employer. The Charging Piles Procurement and Installation Project of the Project is now open for tendering.

2. Project overview and bidding scope

2.1 Project name: Charging Piles Procurement and Installation Project for Airport Works of Lanzhou Zhongchuan International Airport Phase III Expansion Project.

2.1 IFB No.: 0773-2250GNJTHWGK0157

Package No.: PS-5

2.3 Bidding scope:

Procurement and installation of charging piles for Lanzhou Zhongchuan International Airport Phase III expansion project. The total installed capacity of all charging piles is 27926kw, including but not limited to the in-depth design, supply, transportation, storage, installation, commissioning, preliminary inspection, trial operation, cooperation with the acceptance of all stages, free software upgrade within the service cycle, after-sales service and training of the AC and DC charging piles in 110kV substation, switching post, GTC and auxiliary room areas, as well as the charging operation management platform (charging pile management system). Refer to Chapter V, "Requirements of Supply", for details of specific equipment.

2.4 Place of delivery: Lanzhou New Area. The specific location shall be designated by the Employer on the spot (arrival and delivery);

2.5 Date of delivery: Complete the detailed design of the project within 30 calendar days after signing the contract and complete the installation and commissioning of all equipment before June 30, 2023. The specific time requirements are as follows: the tenderer shall reasonably arrange the equipment manufacturing, supply, and installation cycle according to the project schedule (the specific delivery time shall be subject to the notice of the buyer). The specific arrival, installation and commissioning period shall be adjusted according to the actual requirements of the site and must unconditionally obey the arrangement of the buyer until the industrial acceptance is completed and put into use.

2.6 Bid lot division: The Project is divided into one lot.

3. Qualification requirements of the Bidder

3.1 The Bidder must be a corporate body or company formally registered within the border of any member state of NDB (including the People's Republic of China, the Republic of India, the Federative Republic of Brazil, Russia, the Republic of South Africa, Uruguay, the United Arab Emirates, Bangladesh and Egypt) with a valid independent legal person qualification.

3.2 The Bidder must be a manufacturer able to complete the bidding equipment, i.e. As the manufacturer, the Bidder must provide the Declaration of Manufacturer, and the proposed equipment must be manufactured by the member states of NDB.

3.3 The same person serving as the head of different units, or different units with holding or administrative relationship cannot bid this bidding project at the same time.

3.4 The Bidder must provide the audited financial reports in recent three years (from 2019 to 2021). If its existence is less than three years, the audited financial reports since establishment must be provided. If its existence is less than one year, the credit certification issued by the bank must be provided.

3.5 The Bidder must submit the tax certificates in any consecutive three months in the recent year. If its existence is less than three months, the tax certificates since establishment must be provided.

3.6 The companies and individuals (legal representative of the Bidder and the leader of the proposed project) included by the people's court in the list of trust-breaking persons subject to enforcement are not accepted for this bidding. The Bidder must provide the screenshots of the following search results: (1) the search information of the companies, legal representatives, and the leaders of the proposed project after the deadline for bidding registration on the website of "Credit China" (www.creditchina.gov.cn) and its related websites jumped. The Bidder shall inquire the information on the website of "Credit China" first and must provide the jumping screenshots (if any) and the screenshots of relevant search results; and (2) the screenshots of search results about the enterprises not included in the list of seriously illegal and dishonest enterprises (information of

the Bidder) after the deadline for bid registration in the "National Enterprise Credit Information Publicity System" (www.gsxt.gov.cn).

3.7 The companies restricted by the administration for industry and commerce of the People's Republic of China and the competent authorities of relevant industries for bidding are not accepted in this bid. The Bidder must provide the Letter of Commitment for Unrestricted Bidding or Transactions prepared in the format as agreed in the Bidding Documents in Bid Documents. For any false commitment, the consequences shall be borne by the Bidder. The bid evaluation (review) committee shall cancel the bid qualification of the companies included in the list of trust-breaking persons subject to enforcement or restricted for bidding, or directly reject the bid.

3.8 The Bidder which has been declared ineligible by any member state of NDB in the recent 5 years (from August 2017 to August 2022) is forbidden in the bid.

3.9 The consortium is not accepted in this bidding.

Post-qualification is applied in this bidding. The Bidder shall make its own judgment for consistency with the Notice and decide upon the participation in the bidding.
